Oat flakes & Corn flakes

Oat Flakes – rich in fibre (6.9 g/100 g of the product). They contain beneficial beta-glucans, that help to reduce blood cholesterol and triglycerides. Natural source of 3 vitamins, 6 minerals and dietary fiber. Oat Flakes can be used to prepare a delicious and nutritious porridge, that will provide energy in the form of carbohydrates so greatly needed every morning.

Corn Flakes – delicious and super crunchy toasted flakes, which contain only natural ingredients, including 99,8% corn. These delicate and easy to digest flakes are a great solution for all those who appreciate classic breakfast products served with milk.
